"Hail to the school which guides our youth;
In ways of right, in ways of truth."

Memories

Our Memories come from four long years of working together as a class and as friends. The dances, the picnics, and all we have undertaken during our high school years, have brought new meaning to each passing day.

Bound together in this book, are these memories which we will keep with us always; some bring smiles, others regrets, but all are worth remembering.

We invite you to share our Memories.

Class History

The Autumn winds have calmed; the shadows of eventide begin to fall; dusk draws nigh; all is still. In the peaceful contentment of evening hours, we find ourselves seated before the fireplace gazing into the flames. The warm fire reflects a host of memories which carry us into a reminiscent mood.

Remembering our first glimpse of school, we see happy youngsters toddling off to begin their many joyous days at Kelloggsville.

Through the years that follow, we recall many of the activities and much of the merriment which swiftly carried us to our Freshmen year and the beginning of high school. Here we see ourselves working diligently at the paper drives which we sponsored under the guidance of Mrs. Sachen and Mr. Tyler.

Our thoughts drift on. Comes our Sophomore year with its big event, the Box Social, which proved to be both entertaining and profitable. Our souvenirs of this year were pennants and emblems, sold as a project by the class. Mrs. Thelin and Mr. Andersen helpfully directed us through our Sophomore year and remained with us through our graduating day.

Still in our mood of reminiscence, we relive the preparations for and success of the Junior-Senior Prom, THE TWILIGHT TWIRL. We remember too, the hilarity of tobogganing that cold clear night, the welcome warmth of Swingland, and the chili supper the boys served the girls after they proved to be the better sales group in our successful magazine subscription contest. Then, the skating parties also sponsored by the class! This satisfying year we brough to a zestful close with a picnic at Hess Lake--------a practically perfect picnic complete with swimming, boating, roller skating, and mellow partings,-------"So long until Fall."

As we linger in memory lane, our Senior year holds our most vivid recollections. Our dances highlighted the year, bringing fun and frolic to all. Hard work and determination brought about the satisfying results of the CENTURY. The Class Trip to Niagara Falls and Canada was by far most memorable of all our eventful occasions. Then our years at Kelloggsville were climaxed by the solemn ceremony of commencement.

In the eerie glow of dying embers, our visions begin to fade as we watch our classmates setting off on their separate courses.

These memories are treasures we shall cherish always.

Prophecy

"Extra!! Extra!! Read all about it! Detective solves jewel theft mystery!"

"Paper, mister?"

"Here, boy."

"Say, aren't you Harry Hussey, the University coach?"

"No, I'm still just water boy—keep the change, sonny."

"Think I'll stop at this lunch room and have a bite to eat. This looks like a nice quiet corner. Well!!! Arlene Robart! I see you're still in the restaurant business. I'll have a cup of coffee and a ham sandwich.

"Hmm, so Weldon Sherlock Case solved the jewel mystery and recovered most of the fortune of Patricia Hansel Morgenthau Vanderbilt Rockfeller, the fabulous heiress. I see that this happened while she was attending the banquet honoring the world renown Chester Hall, who recently returned from his second trip to the moon.

"Well, what an interesting editorial. My goodness!! Don't tell me Larry Seeley edits this newspaper? Why, so he does! Well, I always thought his Comet experience would carry him far.

"Ah, what's this? 'If you don't want to wear a frown—Then on election day, vote for Brown!' Well, who would have thought that Merrill would have turned to politics.

"Oh, thank you, Arlene. How much do I owe you? Twenty cents? Here you are.

"Now, where was I? Oh, yes ..... Leys Brothers Capture Big Game — Skunk and Red Squirrels—Ed and Lyle always were the out-of-door type.

"Well, what have we here? Why, no it can't be — but it is! Playboy Robert Hall announces that as of today he shall take over the duties of Tootsies Baby Orphanage, and furthermore, he is going to donate his entire wealth and time to this charitable institution. Well, well, well!

"Heavens, these women's styles!! As our fashion design expert, Miss Ruth Hyde puts it, 'Who said orange stripes and red polka dots don't mix.'

"So, Mrs. Delores Howe Swart has given another one of her elaborate dinner parties at her home in Happy Haven. Prominent figures attending were the distinguished poet and author, Kenneth Johnson, the glamorous Miss Mary Miller, who has retained her charm through the years, the famous opera star, Marian Roosien, and Arthur Middleton, top producer-director of MGM (Middleton's Goofy Motions). Music was provided by Professor David Farrow with entertainment by the jovial comediane, Ken Mekkes. That must have been quite an affair!

"Oh, this is news! 'Mrs. and Mr. Gordon DeHaan celebrate their silver wedding anniversary Tuesday, April 1. Open house will be held at city dump from 1:28 AM to 12:32 PM. Mrs. DeHaan is the former Geraldine Doxtater.

"Say, this sounds good!! Dee Verolme's recipe for tuna filled cinnamon rolls. Well, Dee always did have the best recipes.

"I wonder what's playing at the SEA-AU —Yes, here we are. 'He Scourned Love,' starring Robert Goudzwaard and Geraldine Warn, produced and directed by Roland Talsma. I hear Mr. Talsma lost money on the show because Bob refused to play a love scene in public. Bashful? (I wonder.)

"Maybe I should go to the concert tonight. I've heard Patricia Zaagma is entertaining for a three night stand with her Melodious Minstels of Melody. Sounds like it ought to be good.

"Guess I'll scan through Miss Carole Hensen's late news bulletin and see what's happening lately. So Doris Thayer will soon be entering into matrimony for the fifth time. She'll find the right one yet.

"Here's great news!! 'After ten years of scientific research, lab expert, Mr. Charles Miller, reveals the secret of his new solution — It's called CLEANLESS-CLEANER. Guaranteed to clean-less!'

"A woolen mill is being established under the management of Bonnie Banning. It seems as though she had an over-supply of old yarn.

"So, there's to be a style show presented at Frey's Fashion Shop. Miss Georgianna Frey has made arrangements to have New York's most outstanding model queens show the latest fashions. Among these debutants will be Miss Betty Barlow, Miss Ellie Nelson, Miss Ella Sybsma, and Miss Barbara Bronkema.

"The Women's Garden Club will hold another of their daily meetings in Central Park. Today they are going to discuss the prevention of falling leaves. Co-chairmen of this meeting are Marian Johnson and Betty McDonald.

"Carole always was up on the latest events.

'Think I'll go and see what's happening in the sports world. So Chuck Johnson is still slugging away at prize-fighting. I thought he would give that up.

"Marble King Crown awarded to Bud Kelly, as he has succeeded in obtaining all the 'crockies' in the neighborhood.

"Girl athlete Diane Johnston sets a new record in running the 200 yard dash in only eighteen minutes and thirty-two seconds. My, what a feat!

"I've heard that Barbara Massie is taking over Dorothy Dix's column, 'Advice to the Love-Lorn'. I wonder if any of my old classmates are in dire need of her helpful advice.

"Now, let's see! Here's an intriguing problem. 'Dear Miss Massie, I am in desparate need of your inspirational assistance. I came home one evening and found a cigar butt on my ash tray! I smoke a pipe and never a cigar. Miss Massie, I'll be frank with you — Should I allow my wife to smoke cigars? Signed, Ted Conrad.' Well, I'll be! Ted and his women!

"You know, I really could use a car. Wonder if there are any bargains today. Here's one — 'Nice red spot light, shiny door handles, slightly used. Cheap — Contact Merlin Dieterman.' Oh, well, I'll look again tomorrow.

"Wait a minute! What's this in the personal section. 'Sweet, charming lady desires to share ride with tall, dark, handsome gentleman heading in general direction. Contact Darlene Cross.'

"Well, I better dash or I'll be late to work. (Again.)"

Juniors

As we look back at '49, we'll remember how our skating parties, noon milk sales, flower sales, and the big magazine campaign, made possible the Junior-Senior Prom, which we looked forward to as the big event of the year.

We held two skating parties in the gym, of which the "Autumn-Roll-A-By" proved to be the most profitable. Then using Valentine's Day as our theme, we presented the "Hearts-A-Falling" Skating party. Our flower sales at the night games lent to the football spirit as well as increasing our treasury. Noon milk sales also netted a steady income all year.

On May 21, we had the Seniors as our guests at "The Moonlight Mingle" which we held in the Morton Ballroom. With the cooperation of the whole class, we were able to make our Prom outstanding. The smooth music of Ray Bush, the soft, low lights, and the formal atmosphere made this unforgetable night.

Sophomores

Our memories of '49 are of plans for box socials, selling cards, the class picnic, and holding a reception the night of graduation.

The first box social was in keeping with the theme of Halloween. In the Spring we gave another box social and then enjoyed ourselves on the class picnic. The traditional senior reception, the night of graduation, was a colorful episode and a mood of anticipation grew upon us — Juniors soon!

Freshmen

As Freshmen, we cast off our eighth grade mannerisms and prepared to take over the leadership of the Junior High School. In September we organized our class and then plunged into our studies, taking little time off for outside activities. In December, we emerged from the grind long enough to present a Christmas program. A movie, Dicken's "Christmas Carol", was our choice. Our year ended with the traditional class picnic.

Now we're looking forward to a bigger, better sophomore year.

Eighth Grade

We began '49 with spirit and enthusiasm. We found it a new experience to work as a class toward a common goal.

We sold paddle pops and Christmas cards, and held a paper-products demonstration. These ventures proved a success and we found time to devote to Junior Red Cross projects.

Class skating parties and picnics will always be linked with 1949.

Seventh Grade

We found life in the high school building new. After choosing our class officers, our interests turned to non-profit class parties. In the fall the class enjoyed a hamburg fry. Two skating parties provided entertainment. Especially interesting to us was the correspondence we carried on with students in Preston, England. Through it we formed new friendships and learned many facts about English students.

Junior Red Cross

The Junior High Students directed much of their efforts toward the Junior Red Cross, the first such organization K.H.S. has had in several years. Although this organization cannot be classified as a club, it has carried on worthy projects which have attracted the attention of many. Under the leadership of Mrs. Parker these projects have occupied both the spare time and the interest of the junior high students.

The Junior Red Cross members made monetary contributions to the Red Cross Council and also donated twenty-five art posters to be sent to Europe. Meetings and dinners which were sponsored by the Council were also attended by many of this group.

We wish to congratulate them on their fine work.

This year the COMET was operated on a slightly different basis. It started out as a weekly paper, but the amount of work involved proved to be too great a task for the number of people on the staff, so the original plan was altered, and the paper was put out every other week.

Mr. Couzynse served as Journalism instructor for the COMET; and through the untiring efforts of Miss Haines and Miss Buckham, the paper was able to meet it's deadline on time. Praise should be given to the staff, with Editor, Larry Seeley, Ass't Editor, Carole Hansen, and Sports Editors, "Rib" Goudzwaard and Ted Conrad, for their hard work and cooperation in the publication of the COMET.

Entertaining movies were shown by the Council to occupy noon hours. The Council sold subscriptions for the South Kent News and instituted plans for improving the school yard and parking area with the money earned. Exchange assemblies with other schools of the Barkenall League were also arranged. As a whole, the Student Council had a very successful year.

Y-Teen

The main purpose of our Y-Teen organization is to unite high school girls in a worthy cause and to teach them the importance of co-operation among groups of all types.

We held informal meetings every other Wednesday. At these meetings, we discussed topics which helped all of us to have a better understanding of ourselves and our problems.

To raise money for three CARE packages, sent to Europe, we sold candy in the hall several times. A large part of our time was spent making gifts for the children of St. John's Home.

With the close of the year, we felt satisfied that we had achieved our goal to a very satisfactory degree.

Hi-Y

The Hi-Y was reorganized this year with Harold Bowman, President; Jack Koetje, Vice President; and Douglas Wilder, Secretary-Treasurer. Mr. Couzynse acted as sponsor for the Hi-Y. Overcoming the growing pains was the main task of the first semester and the boys came through with flying colors.

Activities of the club included bi-monthly meetings at noon and swimming at the "Y." The boys also visited Hi-Y Clubs of other schools in the Kent County Area.

K.H.S. can expect to hear much more about their Hi-Y Club next year and in future years because of the great work done by the boys this year.

K Club

Membership of the K-Club was increased to eighteen this year with the addition of the new letter winners.

In December, with Coach Formsma furnishing the venison, the Athletic Association presented the traditional Football Banquet. Everyone connected with the sport was invited. This included members of both teams, ticket sellers, cheerleaders, coaches, and the manager. The K-Club provided entertainment, with Bill Farrow's Band and movies of college football games.

The First and Second teams, coaches, and fathers of the players were also invited to the annual Kiwanis Banquet held at the Southern. The Club members helped a great deal at assemblies by acting as ushers. Some Spring Activities are planned for the club.

Remember May 10, 1948? This wasn't just one of those dances. It was The Dance. We packed away all our worries and spent a night to be remembered at THE TWILIGHT TWIRL.

Memories of this night and of dances that followed will make pleasant reminiscing as we look back at our school years.

That'll be twenty cents, please.

Basketball

Basketball, coached by Mr. Fry, enjoyed a .500 season wth 5 wins and 5 losses in league play and took third place in the Barkenall League. The defeats were very close games with the margin of victory only a few points.

Highlight of the season was the 42-32 defeat of Hopkins which ended an eight year losing streak to that team.

Ten beautiful warm-up jackets arrived in time for the Barkenall Tournament; and although we scored our highest total of points for the season, we lost to Hopkins, the champions.

Rounding out the season, we beat Hudsonville in the state district tournament and lost to Wyoming Park. This made our season record 7 wins and 9 losses.

Terry Covert led the scorers with 130 points, followed by Ted Conrad with 120, and Bob Schriemer with 84. Kelloggsville scored 563 points to opponents 561.

Baseball

The 1948 Baseball Team, led by a strong pitching staff consisting of Dick Palmer and Don Hoffman, and backed by a well balanced infield and outfield, finished the season undefeated in league play and were awarded the much coveted Barkenall Trophy. The K-Men then stepped out of the league and played four games against stronger opponents, topping Wyoming twice.

As a final achievement, this much deserved baseball championship, bringing to a close a long successful season of sports ventures, cast a pleasant glow over the entire year's activities.

Track

Track, coached by Bob Fry, proved to be a popular sport with the thirty boys who turned out. The spring of 1948 was the first year that track was offered to the boys at K.H.S. Two regular meets were scheduled with Comstock Park and Sparta and the results of both were favorable. The team had practice meets with Lee, Wyoming, and South and then entered a small squad in the State Regional Meets at Houseman Field. Track will be offered again this year with a more complete schedule and the team looking forward to an even more successful year.
